

Neel Patel

Customer Support Associate | Ahmedabad, Gujarat | neel.patel@example.com | +91-90000-00000

PROFESSIONAL SUMMARY

Customer support candidate with experience handling customer queries, maintaining records, and coordinating service requests. Interested in learning technology but has not yet completed software development projects or backend engineering training.

TECHNICAL SKILLS

Customer Support, Communication, MS Word, MS Excel, Data Entry, Ticket Handling, Teamwork, Time Management

PROJECTS

Customer Query Tracker

Maintained a spreadsheet to categorize support tickets, track status, and prepare weekly summaries. This was an operational tracking task, not a software development project.

Service Feedback Summary

Collected customer feedback and prepared a basic report of recurring issues and response times.

EDUCATION

Bachelor of Commerce (fictional sample), 2023–2026; coursework includes accounting, business communication, and office applications.

EXPERIENCE

Customer support role in a fictional sample scenario; no Java, Spring Boot, REST API, Docker, or AWS work claimed.

CERTIFICATIONS

Customer Service Fundamentals (sample placeholder).

DEMO RESUME — fictional information for testing an academic resume-screening system. Contact details are placeholders.
